

## Football Cheerleader Tryouts

Tryout practice- Wednesday, May 31, 12:00 – 2:30, WWHS

Actual tryout- Thursday, June 1, practice from 12-12:45, tryouts from 1:00-1:45

At the tryout practice you will learn the chant, cheer and select your jumps you will perform for tryouts. The cheer and chant will be taught at this practice. Tumbling will also be practiced at this time.

On tryout day you will practice the cheer and chant in your groups and warm up your jumps and tumbling, tryouts will start at 1 pm.

If there are enough girls we would like to have a JV squad who will cheer at JV/7/8<sup>th</sup> grade football games and a Varsity squad who will cheer at the Varsity games. There are 4 Friday night varsity home games to cheer at and I'm not sure about the JV games yet.

I will work around volleyball practices and other activities the best I can. Practices will more than likely take place after 5:30 in the evening or possibly in the morning. Hopefully we can learn most of the cheers/chants this summer so we'll only need to practice once or twice a week during the season. Practice will be mandatory and if there are more than 3 unexcused practices (meaning you've made no attempt to contact me about missing practice), you may be asked to leave the squad.

There is a stunt camp on June 26 in Mitchell from 8:30 am – 12:00 pm. I would like to attend this ☺.
